Monday Morning.....April 6, 1857.

Judicial Election To-Day.

There is to be elected to-day, a Judge of the Common Pleas Court of the county of Cook Also, a Clerk for said county.

An election paid will be opened in each ward in the city, and town in the county, to fill these offices.

The names four candidates running for the office of Judge, viz—Williams, Higgins, Wilson and Blackwell. The latter, the Bogus Rollin candidate.

There are three candidates for Clerk, viz—Wentworth, Rollins, and William. John Rollin, Todd Rollin's brother, is running as an independent German; running, as stool pigeon to draw off the Republican Germans from Kimball

For Prosecuting Attorney.

Dexter Hayes is the only candidate for this office running. It is important that every citizen should take to-day and cast his ballot for the best qualified candidate. The others are impostors, and only run for the purpose of thwarting and defeating the will of the people.

Walker's Position and Prospects.

The Washington correspondent of the New York Tribune, writing on Friday, do not add anything of importance to the summary received and published in our paper on that day. The accounts from all sources, however, show that Walker's position is very fragile, wherein Walker has been victorious, though the issue on each side are very differently stated. The Cuba Filibuster were before Washington—especially Walker as having been created and driven by ship-board. Walker's position is, that he was driven to it by the necessity of his position, and in making up a reliable opinion of their prospects.

The accounts of their success and popularity are said to be the creation of the Democratic press. There is the consolation of hoping that every man in the Filibuster gang may be driven into the sea.

Holmes' Case.

As we noted the Legislature of this State to establish the new county of Holmes to cut off a portion of the Illinois and Michigan Canal and portions of the Fox and Illinois rivers, and this last of the remaining republican counties in a strongly Locofoco district, and Vermillion county, which is strongly Locofoco, and which must be submitted to the whole people of the two counties from which it is taken, at a special election to be held on the first Monday in May next, and a majority of the votes cast in favor of said division, to entitle the new county to a separate county organization. Provided, however, that if a majority of the votes cast in favor of said division in said Vermillion county, shall be against the division, then the said Holmes county shall not be established, but shall remain attached to Vermillion county, as it now is.

Mr. Lovejoy, in the House of Representatives, on Thursday, moved to take up the bill for the admission of Kansas into the Union, and spoke in favor of the bill. He said that the people of Kansas had been trampled upon by the Administration, and that the bill was a measure of justice to them. He was opposed to the Lecompton Constitution, and would vote against it. He was in favor of the bill, because it was a measure of justice to the people of Kansas. He was opposed to the Lecompton Constitution, because it was not the act of the people of Kansas, but of a few persons who had come into the Territory for the purpose of voting. He was opposed to the Lecompton Constitution, because it was not the act of the people of Kansas, but of a few persons who had come into the Territory for the purpose of voting.
